### Terrain

Forest with elements of paths and small forest roads. One larger asphalt road runs through the area. Cultivated land in connection to the Event Centre. There are numerous marshes with good runnability in the area. Low to moderately broken ground. There are smaller areas with detailed contour intervals. There are steep ridges in a part of the event area. Good passability. Areas with clearings and young wood exists. There are only a few clearings from the storm "Gudrun". Map sample is shown at [www.smalandskavlen.nu](http://www.smalandskavlen.nu).

### Map

D21 and H21 map scale 1:15 000. Night courses 1:10 000 All other classes 1:10 000. Contour interval 2,5 m. The map is made in 2006 by Björn Palm. The main part of the area have not previously been used for orienteering.

### Punching system

Sportident (SI) electronic punching. Each SI card can be used on one leg only. Individuals who have entered both competition class and open class must use two different cards. SI numbers must be quoted when entering the team. Later alterations will not be accepted. Competitors who want to hire an SI card must request one when entering. Hire cards will be distributed for a fee of SEK 20 per card at the check-in. Unless SI numbers have been quoted when entering the team list, the team will be given hire cards at a cost of SEK 20 per card.
